Jim Curry  
Diane Reikofski  
Brenda Sock

**MINUTES**

1. The meeting was convened at 10:41 a.m. in Room 1108B of the College Welcome Center by Del Ames, member of the Student Success Committee.
2. Recommended approval of the Minutes of the February 14, 2019 meeting.
3. Dr. Michael Chipps and John Blaylock presented the West Point Career and Technical Education Model, delivering career and technical education in a rural region of Nebraska, aids in building a workforce, expands economic development opportunities, and maximizes resources. Northeast Community College's commitment in the Model includes operational costs for the facility, instructional resources, oversight of the facility, and programming responsibilities based on career pathways and business and training needs.

College and Business and Industry training will be provided in the new facility from 7:00-10:00 a.m. and 3:00-10:00 p.m. Dual Credit programming will occur from 10:30 a.m.-12:20 p.m. and 12:45-2:30 p.m. College and Business and Industry training will also occur during any unused Dual Credit programming time blocks.

Additional early college career and technical education models include Fridays @ Northeast; the O'Neill Extended Campus, working with six schools in the region; and the South Sioux City Extended Campus, with extensive dual credit offerings provided at that location.

4. With no further business to discuss, the meeting was adjourned at 11:30 a.m.

**Mission**

Northeast Community College is dedicated to the success of students and the region it serves.
