### *Add More*

#### **Flex Cash**

Flex cash works like a debit card, and funds are deposited into your account as part of Meal Membership. Flex cash is designed to help you cover between meals or snacks at our retail locations on campus. Unused Flex carries over from Fall to Spring but does not carry into the summer or following academic year.

### *Meal Plan FAQs*

#### **What if I have a food allergy?**

If you have a food allergy or are in need of dietary assistance, please contact us. Our culinary and management staff is trained to develop a delicious solution to meet your needs.

# SUSTAINABILITY

# Matters

Chartwells at Northeast Community College is proud to use only cage-free eggs, antibiotic-free and free-range chicken and pork products, as well as partnering with the Monterey Bay Aquariums Seafood Watch program to ensure that all seafood served complies with strict sustainability requirements. We only use trans-fat free products- from cooking oils to our bakery. Chartwells at NECC is committed to using paper products that are 100% recyclable.

## REDUCING PLASTICS

Did you know that **19 million pounds of plastic wind up in the ocean each year**? NECC Dining is doing our part by **skipping the straw** in our resident dining hall, and encouraging our students to leave their straw behind in all of our retail locations!

## FIGHTING Food Insecurity

Nearly 40% of all college students are struggling with food security. Food insecurity impacts students in all college and university settings, even those who have a meal plan can be food insecure.

## Download Our App

View menus, nutritional information, specials, hours, Allergen ID cards, and more on your phone by **downloading the Dine On Campus APP on Google Play or the Apple App Store today!**

## Reducing Waste

NECC Dining is driving change from the inside out. We're reducing waste at the source, and are committed to raising awareness, and promoting solutions that positively impact the areas where we operate. **Join us in April to celebrate our national holiday - Stop Food Waste Day!**
